When work measures 14 cm, on an even round, start with calf dec as foll: mark last 6 cable sts. on needle 1 and K 1st cable st. tog with preceding st., work 4 in cable patt, work a slip dec knitwise over last cable st. tog with foll st. (= slip 1 knitwise, K1, pass slipped st. over). Rep these dec on every 4th round 6 times and on every 2nd round 17 times = 72 sts.

When work measures 40 cm, work foot foll our Foot Guide on page 29. Work heel over the 6 sts. of cable at center back and 16 sts. on either side = 38 sts. In st-st work 32 rows even in open rows, dec 4 sts. evenly across 1st row = 34 sts.

Divide heel into 3 panels and for heel flap work as foll = 12 sts. at center and 11 sts. at each outer edge. Cont in rounds in st-st over sts. on needles 1 and 4, and

When foot measures about 21.5 cm for size 9 and 22.5 cm for size 10½ work toes in st-st as given in method for foot. Bring double yarn through rem 8 sts., pull up firmly and fasten off.
